

## Water Controller

**Bonuses at first level:** +1 Con, +1 Wis, +1 Int, 13+ your Con Score HP.

**Armor type:** light or medium

**Weapons:** you like ⚔ all hammers. You dislike ⚔ all swords.

**Trained Skills:** Endurance and nature, Choose 1 more trained skills at 1st level.

**Wild Power:** The raw power you wield sometimes gets out of control and forces its way out of you, sometimes you can control where that power is directed, other times it explodes violently. When attacking if you roll a natural 20 or a natural 1, roll again on the chart below.

1d20. -9 if a natural 1 was rolled. +9 if a 20 was rolled.

5 or lower. I can't control it! You are flooded with power until you can no longer contain it, torrents of water burst forth from your body as tsunami of water consumes the area. You hit enemies and allies alike, roll damage normally but do not apply the crit multiplier. Even if you are not included in the AOE, you are hit by the attack, take half damage and you are stunned until the end of your next turn, from the backlash of so much power leaving your body at once.

6-10. I can't hold it much longer! Your power swells up within you begging to be released, you know you must give in to it, but it's going to hurt. You hit the enemy and roll damage normally but do not apply the crit multiplier to your damage roll. Even if you are not included in the AOE, you are hit by the attack and take half damage from the backlash.

11-15. Power overwhelming. Your power clears the fog in your mind, allowing you to see your enemy with intense clarity, only to immediately abandon you. You hit the enemy and roll crit damage normally. With a multiplier of x2. You take damage = to your com modifier.

16-20. So much power. You are one with the power within you, it heightens your senses, and allows you to strike your enemy with intense power. You hit the enemy and roll crit damage normally with a multiplier of x3.

### Jobs

At first level you may choose one of the following jobs:

#### Artist

As the artist it is your job to beautify everything around you to your idea of beauty anyway

You can now create coloring pages, see coloring pages in the big book of items for a list of coloring pages and there components cost.

### Cook

As the cook it is your job to keep the party well fed and in shape. When you're not cooking you can be found looking for and trying out new ingredients to put into your cook book.

### Crowd control

You gain the Crowd control ability: any time you target more than one monster in an AOE you do an extra D4 damage to those targets, and an extra D4 ever two levels here after (3, 5, 7, 9 etc.). If the controller scores a critical hit with an AOE attack the extra D4 is not multiplied.

### Jack of all trades master of none

As the Jack of all trades it's your job to fill the void in your party help out when and where ever needed.

You gain the Jack of all trades trick and may use any of the job specific items in the items book.

### Tank

You gain the Armor specialization trick of your choice, +5HP, you also gain the Agro magnet Warrior Class power, if you already are a Warrior your *mark* from Agro magnet changes to read: any target that is marked must attack the placer of the mark if possible.

**Power Points (PP):** power points are what you use to level up your powers. Every character level you gain 4PP to spend on powers, you may only apply two PP to any one power per character level. For each PP you apply to a power that power gains a level, for example; if you apply 2 PP to a level 1 power, that power is now a level 3 power. The level of a power is not a level requirement, but the amount of time you have dedicated to training with and using the power, it also determines the Strength of the power its self. All powers start at level 0 and so must first be purchased with 1PP in order to be used, which you can then apply your PP to.
